Coláiste Muire Cobh Leaving Certificate Class of 2020

Today was planned to be your Graduation Day.

We are as disappointed as you that it did not go ahead.

Blessings on you and your family.

You can look back over the last few years and recall the friendships that you have formed, and all the good relationships that you have developed.

We give thanks for all who have enriched your lives in various ways; at home, in school, in church and in the local community.

We pray that you are inspired in the years ahead to live in such a way that you readily apologise when things go wrong, as well as expressing thanks and encouragement to those who are a part of your lives.

We give thanks for the gifts, talents and skills that has been given to each one of you. We remember too those of you who have overcome great difficulties, and all those who have inspired us because they have given their best.

In giving thanks for what has been in the past, we ask God's blessing on your present and future. We pray for wisdom in setting your priorities and making your choices that we may live fully and make your part of the world a better place because of the care and compassion that you bring into it.

Amen.

You are in our prayers,

From Cobh Parish
