

3RD YEAR JUNIOR CYCLE 2021

SUMMER EXAMS TIMETABLE & BREAKDOWN OF GRADES

Exams for 3rd Year students will take place Monday 17th- Tues 25th May.

These exams will be combined with continuous assessment to provide a grade for Junior Cycle

(Please the table attached for the breakdown of grades on page 3.)

Procedures for Exams:

1. To facilitate the continued “podding” of year groups, we request that students only come to school for their scheduled exams, as per usual Junior Cycle Exams. Students should be at their venue 5 minutes before the exam begins.
2. Students do not have permission to leave exams early and are required to have study material for their next exam in their bag should they complete their exam before the allocated time.
3. Students are to leave school premises once their last exam on each day is finished.
4. On days when students have more than one exam (Weds 19th- Fri 21st) students are not permitted to leave school in between exams. Students will have their regular morning break and then have a study period before commencing the second exam at 11:05.
